Here it is much to the dismay of those who had written us off months ago. Lots of reasons for the delay...laziness and apathy for starters. There wasn't a lot happenin' that really excited us, so why should we bother? Also, Sublapse Records has taken up a lot of free time and what with our new soon-to-go platinum vinyl (Gay Cow-

boys EP \$2.50 p.p.-plug) the label has taken precedence. So it t'ain't like we're sittin' around here in our lounge chairs with our thumbs up our ass, so stop bitchin' godammit!

How many people are going to Flynn's for the BP Awards? Did you know that the real BP's are being held elsewhere? Everybody knows that BP stands for Bill Proe and does Bill Proe party at Flynn's? Nope. He partys down at the Daquiri Lounge in Hollywood where he will be holding this years BP Awards ceremony. He's going to be taking on all challengers in the chicken wing dept. There will also be a sink or swim contest and all real alcoholics are invited. Get down with Mr. BP on BP nite!

Mr. BP gettin' ready for the big nite!
