COVER SHOT FROM RUSS MEYER'S MUDHONEY

Howdy dudes! Here's another fab issue of
Suburban Relapse comin' at ya! A good variety
this time; the main features include a boss
bitchin' interview with Russ Meyer; a battle
of the bands starrin' the Pandoras; a vin-
tage Cramps interview from 77'; a chat with
Maureen Tucker and her daughter, Kerry; and
all the usual whatchamacalits. Where else can
you read about big boobs & serious rock n'
roll in the same magazine? Creem? MR&R? Flin-
side? Tropical Depression? The Face? The an-
swer is none of the above of course, cause
you're holdin' the answer in your sweaty
little hands now. So we hone ya dig the crazy
pics and prose over the next 40 pages. Have fun.

OBITUARY: Flynn (6-83 to 3-85). I don't care
what anyone else says but I had some great
times there and maybe you did too.

VIDEOS WANTED: "Riot on Sunset Strip", "Gore
Gore Girls", "Chelsea Girls", any Waters except
"P. Flamingos" & "Female Trouble", "Motor
Psycho", "Astro-Zombies", "Wild Angels", "Rep-
ulsion" (Polanski), "Freaks", also cool ex-
ploitation films (R&R, gore, 60's biker flicks,
etc.. etc..), various music videos (especially
60's punk/psych.. B. Magos, Standells, old
Shindigs, N.Y. Dolls on Midnight Spec. ETC...
Send Your Lists! I have lots to trade so get

BANDS BEWARE: Be on the look-out for a character
who goes by the name of Jello Biafra. He writes
letters to bands trying to scam free vinyl under
the pretense that he's the singer of a popular
west coast punk rock band (although we haven't
seen any releases in ages). Don't fall for this
freeloaders game... make this creep pay!
